

Moved by You. Side entry low-floor accessible minivan

The Amerivan is ELDorado Mobility's conversion of the Dodge and Chrysler minivan and is a unique, lowered-floor design for transporting mobility-challenged individuals. The Amerivan features a power ramp to allow wheelchair and scooter access through the side of van. Features and options are available to provide flexible seating and more for you and your family.

The Amerivan conversion is built with careful attention to the finest details of quality, design and construction and comes fully loaded with all the most popular features, many of them options or simply unavailable on other vehicles. With its 14" lowered-floor, the Amerivan offers spacious headroom for taller passengers and driver without the need for a raised roof.

The crash-tested Amerivan design meets or exceeds all applicable FMVSS/CMVSS crash testing requirements and is Altoona tested.

Spacious, durable and comfortable, the Amerivan delivers unmatched safety, ease of operation and is the best value for your money.

FIRST-CLASS FEATURES ARE STANDARD

Made specifically for the retail market, the Amerivan's interior delivers superior passenger comfort and better visibility while driving or riding. In addition, a deeper "firewall cut" adds more space for wheelchair footrests. The sturdy ADA power ramp works with an automatic load leveling suspension that allows the van to kneel making entering and exiting much easier.

CONSUMER FEATURES

The Amerivan provides practical solutions for today's mobility challenges, inside and out. The Amerivan comes standard with the widest ramp and door opening in the industry, allowing ease of entry and exit effortless. The driver area contains easily accessible ramp and kneeling controls for convenience. Standard ground effects give that dressy appearance and the LED lighted entry steps at driver and passenger doors provide convenience and safety.

BUILT TO LAST

The Amerivan's **stainless steel** floor and door extensions offer maximum protection from rust and corrosion. Every ELDorado Mobility component of the Amerivan has undergone rigorous testing for safety and performance.

POPULAR FLOORPLANS
