

# IMPULSE

## SPECIFICATIONS

Designed with style, a spacious interior, flat exterior walls and a stylized front cap, Goshen Coach offers the Impulse as a comfortable and spacious choice with a fuel-efficient weight rating. This model has been styled inside and out, with a streamlined design and superior aerodynamics. If you're ready for an impressive vehicle while maintaining an economic advantage, the Impulse is for you.

### Designed for Dependability.

- Designed to be lightweight without sacrificing safety, quality, or ride performance
- Offered in 20' - 27' models to accommodate non-CDL to large scale transit and retail needs
- From modular wiring systems, and easy-to-clean finishes to antimicrobial fabrics, we strive to find every possible way to ease your maintenance workload
- Goshen's ISO9000 quality program ensures 300 components are cycle and function tested before we ship your bus
- Exceeds FMVSS220, FMVSS214, and 7 year/200,000 mile Altoona durability requirements and more

\*Varies based on your state and the options selected. \*Photo shown with optional equipment.
