

# 2024 CLEAN SCHOOL BUS PROGRAM

The 2024 Clean School Bus (CSB) Program provides funding over the next five years (FY 2022-2026) to replace existing school buses with zero-emission and low-emission models. The CSB Rebates application process includes SAM.gov account registration, application submission, review and selection by EPA, purchase order submission and request for payment, payment receipt, new bus delivery and old bus replacement, and close out. Vehicle rebate amount will be automatically filed based on fuel type, GVWR, and prioritization status. Applications will be reviewed and awarded 60 days after deadline.

Access the online rebate application [here](#).

**Application deadline:**  
**January 9, 2025**

**IMPORTANT:**  
**IF YOU DO NOT HAVE AN ACTIVE SAM.GOV ACCOUNT, CREATE ONE BEFORE BEGINNING THE REBATE APPLICATION.**

Note: You can always save and exit the rebate application form at any time before submitting.
